500 Poses For Photographing Children

Previously in the posing guide series articles we looked at posing female subjects, posing male subjects, posing children and posing couples. It is now time for posing groups of people. There are usually three kinds of group shots. First are just formal shots with a large number of people. Second are more informal shots with [...]

Candid styles of photography are increasingly becoming popular both in general day to day photography but also in formal photographic situations. Last time I was asked to photograph a wedding the couple actually hired me purely to take paparazzi style shows of them and their guests throughout the day. They had another photographer for the [...]

Estimated reading time — 15 minutes When I was a little girl, I lived with my mom in a rented two-bedroom house in Cleveland, Ohio. The paint was chipping and there were stains on the shag carpet that had been there since the 70's and the heater broke each year, on cue, in the middle of January, but there was a big backyard with a big tree to climb and I thought the dump was a castle.
