Chances are you're familiar with the basics of C# and are hungry to learn more. Or you've been out of touch with C# for a while and are looking for a quick course as a refresher to get you up to speed with advanced C# constructs.

C# Advanced Topics: Prepare for Technical Interviews | Udemy

Everything I enjoyed to learn in this course what Mosh is teaching but I had only one difficulty to understand the section of "Redux" part. There is no doubt about Mosh, he is absolutely teaching in nice way but I never know about Redux so that's why I was getting trouble to understand the whole section of "Redux".

The National Tax Training School's Federal Income Tax Course served my purposes very well. The course was a thorough survey of Federal taxation, the materials and testing procedures were well organized, and the customer service when needed was excellent.-E. G. - IRS Office of Chief Counsel - Washington, DC

National Tax Training School | Accredited Home Study Program

Welcome to The School of Parapsychology.This online institution provides a rare gateway to the scientific enquiry into a world seemingly without answers. As you enter the cyberschool gates, you will realise that Parapsychology is a science comparable to other sciences such as chemistry, physics, biology and psychology.
