Biblical Interpretation in Early Christian Gospels claims to the Bible in subsequent generations. In our religiously charged world, it is hoped that in at least a small way studies such as these, which shed light on the appropriation of authoritative texts of one religion by another, will bring an awareness of dependence, gratitude and peace. I.

About Biblical Interpretation in Early Christian Gospels Volume 1. While the contributors employ a diverse range of methods, their research is directed towards considering the function of embedded scripture texts in the context of the Gospels as self-contained narratives written and read/heard in their early Christian settings. The essays are arranged according to their appropriate methodological categories.
