Introduction. The Kenyan philosopher Henry Odera Oruka distinguishes what he calls four trends in African philosophy: ethnophilosophy, philosophic sagacity, nationalistic-ideological philosophy, and professional philosophy. In fact it would be more realistic to call them candidates for the position of African philosophy, with the understanding that more than one of them might fit the bill.

PURPOSE. Animals may be present in healthcare facilities for multiple reasons. Although specific laws regarding the use of service animals in public facilities were established in the United States in 1990, the widespread presence of animals in hospitals, including service animals to assist in patient therapy and research, has resulted in the increased presence of animals in acute care ...
