The Power of Together. Welcome to Nutricia Learning Center (NLC), a community hub and trusted, collective resource for health care providers managing patients with special nutritional needs.

### **Nutricia Learning Center (NLC)**

Objective: To summarize the current state of the research evidence for whole-system, multi-modality naturopathic medicine. Design: A systematic search for research articles from around the world was undertaken using MEDLINE, Embase, CINAHL, AMED, and WHO regional indexes. Naturopathic journals and gray literature were hand searched. No language restrictions were imposed.

1. Introduction. The discovery of an adventitious agent in an already licensed vaccine, or a signal suggesting an adventitious agent, has presented difficult issues for national regulatory authorities (NRAs), national control laboratories (NCLs), public health officials, manufacturers, and the general public since the mid-1900s.

### **Adventitious agents in viral vaccines: Lessons learned ...**

A cohort study is a particular form of longitudinal study that samples a cohort (a group of people who share a defining characteristic, typically those who experienced a common event in a selected period, such as birth or graduation), performing a cross-section at intervals through time. While a cohort study is a panel study, a panel study is not always a cohort study as individuals in a panel ...
