Recent Examples on the Web. The season 10 finale also had the agents trying to stop a global contagion from wiping out the majority of the population; the season eleven premiere revealed that was Scully's shared premonition with her MIA son, William about what was to come. — Marisa Roffman, *The Hollywood Reporter*, "'The X-Files' Finale: Can William Survive His Reunion With Mulder and Scully ...

Contagion | Definition of Contagion by Merriam-Webster

Definition: In economics and finance, a contagion can be explained as a situation where a shock in a particular economy or region spreads out and affects others by way of, say, price movements. Description: The contagion effect explains the possibility of spread of economic crisis or boom across countries or regions. This phenomenon may occur both at a domestic level as well as at an ...

In International maritime signal flags, plain yellow, green, and even black flags have been used to symbolize disease in both ships and ports, with the color yellow having a longer historical precedent, as a color of marking for houses of infection, previous to its use as a maritime marking color for disease.. The present flag used for the purpose is the "Lima" (L) flag, which is a mixture of ...

Yellow flag (contagion) - Wikipedia

"Contagion" is the name of a story arc that ran through the various Batman family comic book series. It concerns the outbreak of a lethal disease in Gotham City, and Batman's attempts to combat it. The events of this story lead into "Batman: Legacy" and "Batman: Cataclysm", which itself leads into "Batman: No Man's Land". It ran from March through April 1996.

What is Suicide contagion? Things to know, how to prevent it

Creationists often claim that Louis Pasteur disproved spontaneous generation and hence any naturalistic origin of life. This article shows what Pasteur really demonstrated and gives a history of

the subject from early ideas of spontaneous generation to modern ideas about the origin of life.

Pasteur, fermentation, contagion, and proving a negative

When Netflix released their feature film Bird Box in 2018, many viewers were left questioning what the "monster" was that drove everyone to suicide. One of the online theories is that the monster represented "mass hysterical contagion," nowadays known as mass psychogenic illness (MPI), where a single individual suffers a psychogenic illness that spreads to a much larger group.
