

Cooperative Work With Multimedia

Cooperative Work With Multimedia

Many instructors from disciplines across the university use group work to enhance their students' learning. Whether the goal is to increase student understanding of content, to build particular transferable skills, or some combination of the two, instructors often turn to small group work to capitalize on the benefits of peer-to-peer instruction.

Group work: Using cooperative learning groups effectively ...

Cooperative Extension takes its message to Albany. Executive directors from Cornell Cooperative Extension county associations from across the state traveled to Albany Jan. 22 to meet with senators and Assembly members from their respective districts.
