The Rust Belt is a term, sometimes considered pejorative, for an informal region of the United States that experienced industrial decline starting around 1980. It is made up mostly of places in the Midwest and Great Lakes, though definitions vary. Rust refers to the deindustrialization, or economic decline, population loss, and urban decay due to the shrinking of its once-powerful industrial ...

John Goodman's book Priceless is revolutionizing thinking the debate over healthcare policy. He characterizes healthcare as a "complex system" that cannot be managed from the top down. True reform requires liberating doctors and patients by allowing them to interact in innovative ways to help meet unique individual medical needs.
