The sketchnotes I created for the recent UX Australia and Swipe conferences have generated a lot of interest, and I've received a number of questions via email and Twitter about how I go about creating them. While it isn't strictly related to UX Design, Jared Spool counts sketching as one of 5 indispensable skills that user experience designers should focus on, so it's certainly a skill ...

Historical Perspective. Before the National Institutes of Health began their research in the 1980's, the only definition of dyslexia was an exclusionary one. If a child's difficulty with reading could not be explained by low intelligence, poor eyesight, poor hearing, inadequate educational opportunities, or any other problem, then the child must be dyslexic.

Elvis Aaron Presley (8 January 1935 – 16 August 1977) was an American singer, musician, and actor, one of the most popular music artists and among the century's most significant cultural icons, he is widely known by the single name Elvis. He is often referred to as the "King of Rock and Roll" or simply "the King" (the latter in particular something he publicly felt was not warranted) and is ...

In fact, to fans of previous musical generations, Blink-182 might be two notches above nursery rhymes in terms of the grand musical canon. Rolling Stone would call their 1999 album Enema of the State "harmless," which is profoundly wrong.. Simply because there's a huge demographic of college kids thinking hard about music who consider Blink-182 one of the most important bands of all time ...
