Preface to the Home Education Series. The educational outlook is rather misty and depressing both at home and abroad. That science should be a staple of education, that the teaching of Latin, of modern languages, of mathematics, must be reformed, that nature and handicrafts should be pressed into service for the training of the eye and hand, that boys and girls must learn to write English and ...

1. Introduction. Aggression is common in inpatient psychiatric hospital settings. Data suggest that between 30% and 76% of psychiatric care staff have been assaulted by a patient at least once in their career (Campbell et al., 2011, Hatch-Maillette et al., 2007, Poster and Ryan, 1994). The financial cost of patient assault is significant in terms of consequent staff illness or injury (Carmel ...
