### **Domestic Violence In Iran Women**

Domestic violence (also named domestic abuse or family violence) is violence or other abuse by one person against another in a domestic setting, such as in marriage or cohabitation. It may be termed intimate partner violence when committed by a spouse or partner in an intimate relationship against the other spouse or partner, and can take place in heterosexual or same-sex relationships, or ...

The relationship between Islam and domestic violence is disputed. Even among Muslims, the uses and interpretations of sharia, the moral code and religious law of Islam, lack consensus. Variations in interpretation are due to different schools of Islamic jurisprudence, histories and politics of religious institutions, conversions, reforms, and education.
