Global citizenship education (GCE) is a form of civic learning that involves students' active participation in projects that address global issues of a social, political, economic, or environmental nature. The two main elements of GCE are 'global consciousness'; the moral or ethical aspect of global issues, and 'global competencies', or skills meant to enable learners to participate in ...

Global citizenship education - Wikipedia

The Hague Institute for Global Justice, or simply The Hague Institute, was an international think tank based in The Hague, Netherlands. The Institute was established in 2011 by a consortium of partners including the Municipality of The Hague, an academic coalition of Hague-based organizations and with support from the Dutch government.
