With the exception of South Africa and Cape Verde, lesbian, gay, bisexual, and transgender (LGBT) rights in Africa are very limited in comparison to many other areas of the world.. Out of the 54 states recognised by the United Nations or African Union or both, the International Gay and Lesbian Association stated in 2015 that homosexuality is outlawed in 34 African countries.

Several years ago, a team of scientists from the Senckenberg Research Institute in Frankfurt, Germany, set out to put a human face to ancient hominid species that once walked the Earth. Using sophisticated forensic methods, they created 27 model heads based on bone fragments, teeth and skulls found across the globe over the last century.
