### **Gender In Philosophy And Law**

Gender Trouble: Feminism and the Subversion of Identity (1990; second edition 1999) is a book by the philosopher Judith Butler, in which the author argues that gender is a kind of improvised performance. The work is influential in feminism, women's studies, and lesbian and gay studies, and has also enjoyed widespread popularity outside of traditional academic circles.

### **Gender Trouble - Wikipedia**

Gender is the range of characteristics pertaining to, and differentiating between, masculinity and femininity. Depending on the context, these characteristics may include biological sex (i.e., the state of being male, female, or an intersex variation), sex-based social structures (i.e., gender roles), or gender identity. Many if not most societies use a gender binary, having two genders, men ...

John Rawls (b. 1921, d. 2002) was an American political philosopher in the liberal tradition. His theory of justice as fairness describes a society of free citizens holding equal basic rights and cooperating within an egalitarian economic system. His theory of political liberalism delineates the legitimate use of political power in a democracy, and envisions how civic unity might endure ...
