While the APA provides clear-cut instructions for citing standard publication types, some business resources have unique elements that make it necessary for us to make an interpretation of the APA rules. Some of the examples provided on this guide are adaptations made by the Bentley Library's reference librarians for the Bentley University community.

Highlights We examine the determinants of non-performing loans (NPLs) in the Greek banking sector separately for each category of loan. NPLs can be explained by macroeconomic variables and management quality. Differences in the quantitative impact of macroeconomic factors among loan categories are evident.

TERMS IN INTERNATIONAL BUSINESS NTERNATIONAL BUSINESS - The Wall Street Journal

The history of Greece encompasses the history of the territory of the modern nation state of Greece as well as that of the Greek people and the areas they inhabited and ruled historically. The scope of Greek habitation and rule has varied throughout the ages and as a result the history of Greece is similarly elastic in what it includes.
