Dining with Jane Austen

Jane Austen lived her entire life as part of a large and close-knit family on the lower fringes of the English gentry. Her family's steadfast support was critical to Austen's development as a

professional writer. Austen read draft versions of all of her novels to her family, receiving feedback and encouragement, and it was her father who sent out her first publication bid.

Reception history of Jane Austen - Wikipedia

(1813) Jane Austen began her second novel, *Pride and Prejudice*, before she was twenty-one. It was originally titled *First Impression* because the appearances of the characters created the plot of the novel. However, because the novel is also concerned with the effects of the character's first impressions, that is their prejudice, Austen found the title *Pride and Prejudice* more appropriate.
