Law, Order and Freedom ebook by - Rakuten Kobo

Thus, individual liberty needs a basis in law, but additionally, it must integrate the requirements of social order. This means that maintenance of law and order balances with individual freedom to guard and define the sphere of liberty of the individual and promote order in the society.

Governments Balance Law and Order with Individual Freedom ...

The chapter concludes that, although there certainly is no such thing as a liberal End of History, for the time being political liberalism emerges from historical experience as providing law with the most reasonable balance of legal order and freedom available.

Conclusion: Law, Order and Freedom | SpringerLink

Humans require law and order way more than they need freedom. In fact, without law and order, not only would humans lack freedom, but we would also reverse 10,000 years of development and become the very beings we call primitive.
