Mccoubrey White Textbook On Jurisprudence

Injustice is a quality relating to unfairness or undeserved outcomes. The term may be applied in reference to a particular event or situation, or to a larger status quo. In Western philosophy and jurisprudence, injustice is very commonly—but not always—defined as either the absence or the opposite of justice. The sense of injustice is a universal human feature, though the exact ...

Albert Venn Dicey and the Principles of the Rule of Law ...

Law is a system of rules that are created and enforced through social or governmental institutions to regulate behavior. It has been defined both as "the Science of Justice" and "the Art of Justice". Law is a system that regulates and ensures that individuals or a community adhere to the will of the state.
