1 Kings 17:12 - As the LORD your God lives, she replied, I don't have so much as a muffin, just a handful of flour in a bowl and some oil left in a bottle. Now I'm going to find some sticks so I can cook a last meal for my son and for me. Then we're going to eat it and die.

What I find odd though is the non-standardized measurements used in the recipes. Flour is measured in volume while butter and chocolate are measured in grams.

You can buy Bible story books that have simple text and a lot of pictures. As they grow older, you can read things like the "Muffin Family" stories that have a Bible story which is then applied by a story about the Muffin family. But even when they're toddlers, they can absorb more of just straight Bible reading than you would guess.
