One of the most important parts of choosing a research programme is finding a supervisor who has relevant expertise in your area of interest. When you find a supervisor who, or a project that, aligns with your research interests, you should make contact with the relevant potential supervisor/lecturer/Professor or NUI Galway staff member to discuss matters further.

Milestones, with their plaque citations, are listed below in chronological order of the achievement. When the dates of the milestone are a range and overlap, our convention is to list them by the start date of the work, e.g. 1961-1972 comes before 1962, which comes before 1962-1965, which comes before 1964, etc.
