

Project Sunshine

Project Sunshine

Over 3 million children are hospitalized each year in the United States. That means the lives – and childhoods – of 3 million kids are disrupted each year, too. Through creative, recreational, and educational activities delivered in medical settings by trained volunteers, Project Sunshine works to ensure that all children have access to their childhoods regardless of their health conditions.

Home - Project Sunshine

Project Sunshine was founded in 1998 by then-college student Joseph Weilgus. Joe visited a friend in the hospital and was overwhelmed by the number of young patients he witnessed looking lonely and bored in their rooms.

Imagine a future Sunshine Coast without Light Rail! An article in the Brisbane Times discussed the compelling argument for light rail on the Sunshine Coast, highlighting the benefits that will potentially be unlocked by delivering this significant public transport infrastructure within the coastal corridor from Maroochydore to Caloundra (Stages 1 and 2).
