Author: The brief descriptions that introduce the psalms have David listed as author in 73 instances. David's personality and identity are clearly stamped on many of these psalms. While it is clear that David wrote many of the individual psalms, he is definitely not the author of the entire collection.

Perhaps more clearly than any other part of the biblical canon, the Psalms are human words directed toward God. Yet, through the Holy Spirit, these honest, sometimes brutal words return to us as the Word of God. Their agonies and exaltations reflect more than the human condition in which they were created. Within the context of the canonical Psalter, they become the source of divine guidance ...

King James Version: Psalms: Psalms index

Question: "Which psalms predict the coming of Jesus Christ?" Answer: The book of Psalms is a collection of inspired songs used in worship of God, and many of them foretell the coming of the Messiah and predict events that were fulfilled in the life of Jesus Christ. In total, twenty-five different psalms (one out of every six psalms) include at least one messianic prophecy.
