It doesn't take a Latin scholar to understand the word scholar.It probably reminds you of school, scholastic, and scholarship. That's because they all share the Latin root schola which means school. A scholar in the academic sense usually has his or her area of specialty in the humanities as opposed to the sciences.

scholar - Dictionary Definition : Vocabulary.com

Progressive education is a pedagogical movement that began in the late nineteenth century; it has persisted in various forms to the present. The term progressive was engaged to distinguish this education from the traditional Euro-American curricula of the 19th century, which was rooted in classical preparation for the university and strongly differentiated by social class.
