

Schenker Studies

Schenker Studies

Particularly, the course focuses on business studies as a basic prerequisite for dealing with company information systems in practice. IMBIT also teaches students about intercultural knowledge, behavior and management.

School students - Dual Studies | DB Schenker

Schenker's unpublished papers also supplement several of the analytical studies in the second, larger section of the book. Eleven essays fall into four groups: studies in the Classic and Romantic repertory, studies in twentieth-century music, rhythmic studies and studies in the theory of Schenker's fundamental analytical constructs, the Urlinie and the Ursatz.

Schenker studies in SearchWorks catalog - Stanford Libraries

This edition also contains Schenker Studies About: The essays contained in this volume provide a focus on the work of the music theorist Heinrich Schenker - a figure of legendary status who has had an incalculable influence on developments in music theory and analysis in this century.

Eleven essays fall into four groups: studies in the Classic and Romantic repertory, studies in twentieth-century music, rhythmic studies and studies in the theory of Schenker's fundamental analytical constructs, the Urlinie and the Ursatz.

Schenker Studies 2 edited by Carl Schachter - Cambridge Core

Perspectives on past and present Schenker studies in Great Britain and America are offered, supplemented by a bibliography of recent British writings related to Schenker. The essays, written by fourteen leading theorists, originate in papers delivered at the Schenker Symposium held at Mannes College of Music, New York in 1985.

Schenker studies (Book, 1990) [WorldCat.org]

The book contains historical studies that derive from Schenker's unpublished papers, and analytical studies of music from the eighteenth to the twentieth century. This is Cambridge University Press' second volume of studies based on the work of Heinrich Schenker (1868-1935), now recognized as this century's most influential figure in the areas of music theory and analysis.

Schenker Studies 2 by Carl Schachter - goodreads.com

The first section of the book contains archival studies that derive from the contents of Schenker's Nachlass, recently made available to scholars. Schenker's unpublished papers also supplement several of the analytical studies in the second, larger, section of the book.
