### **Downloadable teaching packs - Teachit English**

Shakespeare can be an intimidating subject to introduce. Isn't the language archaic and the doesn't high quality mean high difficulty? Actually, the language isn't that difficult when it's read (that is, interpreted) by an experienced reader. The profound themes within plots were created not as pure art, but also to entertain the masses.

The age of Shakespeare was a great time in English history. The reign of Elizabeth (1558 - 1603) saw England emerge as the leading naval and commercial power of the Western world. Elizabeth I's England consolidated its position with the defeat of the Spanish Armada in 1588, and firmly established the Church of England (begun by her father, Henry VIII, after a dispute with the Pope).

2. Prepare Students To Infer: students need to understand that in most stories (with the exception of fables), the author will not tell readers what the theme or lesson of the story is. Readers will have to think about what the characters did wrong or right and what they can learn from the character's experience.
