This is an Omnipresent Trope. There is a fine line between having good World Building and rambling on about pointless crap—conservation of detail is all about filtering out irrelevant information to highlight the actual plot or interesting aspects of the setting. It is rare for an author to devote thirty pages of description to a character's choice of clothing, unless those choices provide ...

The Law of Conservation of Detail - TV Tropes

Annabelle from Shadows Of The Past is with with a human mother and a Decepticon father. How this works is still trying to be decided. The basic premise of Child of the Storm is that Harry is the son of Thor. What complicates matters slightly is the fact that Thor was incarnated as James at the same, since this was the first attempt at teaching him humility.
