The Central Middle Ages. The period from the late tenth to the early fourteenth centuries was one of the most dynamic in European history. Latin Christendom found a new confidence which has left its mark upon the landscape in the form of the great cathedrals and castles, while thousands of new towns and villages were founded.

### **The Central Middle Ages by Daniel Power - Goodreads**

The period from the late tenth to the early fourteenth centuries was one of the most dynamic in European history. Latin Christendom found a new confidence which has left its mark upon the landscape in the form of the great cathedrals and castles, while thousands of new towns and villages were founded. The continent was carved up into dynastic kingdoms and principalities from which the European ...
