

The Law Of Trusts 8th Edition

The Law Of Trusts 8th

In English law, secret trusts are a class of trust defined as an arrangement between a testator and a trustee, made to come into force after death, that aims to benefit a person without having been written in a formal will. The property is given to the trustee in the will, and he would then be expected to pass it on to the real beneficiary. For these to be valid, the person seeking to enforce ...

Secret trusts in English law - Wikipedia

Charitable trusts in English law are a form of express trust dedicated to charitable goals. There are a variety of advantages to charitable trust status, including exception from most forms of tax and freedom for the trustees not found in other types of English trust. To be a valid charitable trust, the organisation must demonstrate both a charitable purpose and a public benefit.
