The Oath tells the story of a town with so many secrets that people are beginning to die because of them, but maybe this has been going on for a while. At the beginning of the story it is a stranger from out of town who's the victim of a horribly violent death that begins to bring light to the existence of the Oath.

### **The Oath by Frank E. Peretti - Goodreads**

Listen in on revealing conversations with former officials from the highest levels of government shaping this pivotal moment in American history — what shaped these leaders, what drew them to public service, and what keeps them up at night.
