2nd Edition*

The Politics Of Civil Society

Etymology. The term civil society goes back to Aristotle's phrase *koinōnía politikḗ* (κοινωνία πολιτική), occurring in his *Politics*, where it refers to a 'political community', commensurate with the Greek city-state (*polis*) characterized by a shared set of norms and ethos, in which free citizens on an equal footing lived under the rule of law.

A new survey report looks at attitudes among Muslims in 39 countries on a wide range of topics, from science to sharia, polygamy to popular culture. The survey finds that overwhelming percentages of Muslims in many countries want Islamic law to be the official law of their land, but there is also widespread support for democracy and religious freedom.

Examples of civil rights include the right to vote, the right to a fair trial, the right to government services, the right to a public education, and the right to use public facilities. Civil rights are an essential component of democracy; when individuals are being denied opportunities to participate in political society, they are being denied their civil rights.

The American Civil War was the most deadly and arguably the most important event in the nation's history. Sectional tensions enshrined in the Constitution erupted into a brutal war that cost over 600,000 lives and cleaved a nation in two.. It was a war that would come to define America—that would answer the "slavery question" once and for all.
