Year In Iraq*

The Prince Of The Marshes

Hackney Marshes is an area of open space in London's Lower Lea Valley, lying on the western bank of the River Lea. It takes its name from its position on the eastern boundary of Hackney, the principal part of the London Borough of Hackney, and from its origin as an area of true marsh. The marshes were extensively drained from Medieval times onwards, and rubble was dumped here from buildings ...

Location. The Dead Marshes is an area located west of the Wastes but attached to the Western Gondor region. The Marshes are a desolate swampland located between the Eryn Muiil and the Wastes, enclosed and made maze-like by giant impassable reeds. They are haunted by Fell Spirits, and recently Orcs have come here as well. For gameplay purposes, the Marshes are considered part of Western Gondor ...

A century later, in the year 921, King Alfred's son Edward the Elder (d.924) established an earth and timber fort or burh at the mouth of the Clwyd, as part of his defence of the north Wales and Cheshire coastlines against Scandinavian raids. It has been suggested that King Edward's fort was sited close to Rhuddlan itself, and that the banks and ditches which can be traced on the south-east ...
