OHCHR | Convention on the Rights of the Child

Convention on the Rights of the Child. The UN General Assembly adopted the Convention and opened it for signature on 20 November 1989 (the 30th anniversary of its Declaration of the Rights of the Child). It came into force on 2 September 1990, after it was ratified by the required number of nations.

Convention on the Rights of the Child - Wikipedia

The Convention says childhood is separate from adulthood, and lasts until 18; it is a special, protected time, in which children must be allowed to grow, learn, play, develop and flourish with dignity. The Convention went on to become the most widely ratified human rights treaty in history and has helped transform children's lives.
