The Vegetarian Cookbook From Earth

Vegetarianism is the practice of abstaining from the consumption of meat (red meat, poultry, seafood, and the flesh of any other animal), and may also include abstention from by-products of animal slaughter.. Vegetarianism may be adopted for various reasons. Many people object to eating meat out of respect for sentient life. Such ethical motivations have been codified under various religious ...

A vegetarian hot dog is a hot dog produced completely from non-meat products. Unlike traditional home-made meat sausages, the casing is not made of intestine, but of cellulose or other plant based ingredients. The filling is usually based on some sort of soy protein. Some contain egg whites, which would make them unsuitable for a vegan diet.. The history of the vegetarian hot dog is not clear ...
