National PTA Celebrates 50 Years of Reflections. The National PTA Reflections program, in its 50th year, is a wonderful way for PTA schools to encourage students to create and submit original works of art in the areas of dance choreography, film production, literature, music composition, photography and visual arts.

Minnesota PTA - Every Child, One Voice

The Voice of the Child. To help us to reach as many young people as possible with a wide range of experiences, we are creating a register of current groups or services working directly with young people who might be able to distribute information to young people and collect the opinions and feed back from young people to the Partnership.
