(PDF) Performance management in the public sector

Introduction. From a business perspective, researchers often argue that Corporate Social Responsibility (CSR) can improve the competitiveness of a company (see e.g., Burke & Logsdon 1996).In the long-term this implies a positive relationship between the CSR involvement of a company and its financial success suggesting that there is a business case for Corporate Social Responsibility.

The business case for corporate social responsibility: A ...

Angie Abdilla is a palawa, trawlwoolway woman from the North of Tasmania who has been living and working in Sydney for over 15 years. Patients, in all settings, deserve care that is centered on their unique needs and not what is most convenient for the health professionals involved in their care. A transformed health care system is required to achieve this goal. Transforming the health care system will in turn require a fundamental rethinking of the roles of many health professionals, including nurses.
