Type Two Overview. We have named personality type Two The Helper because people of this type are either the most genuinely helpful to other people or, when they are less healthy they are the most highly invested in seeing themselves as helpful. Being generous and going out of their way for others makes Twos feel that theirs is the richest, most meaningful way to live.

To outsiders, INTJs may appear to project an aura of "definiteness", of self-confidence. This self-confidence, sometimes mistaken for simple arrogance by the less decisive, is actually of a very specific rather than a general nature; its source lies in the specialized knowledge systems that most INTJs start building at an early age.
