### **Women On The Civil War**

Women In The Civil War summary: There were many women playing important roles in the Civil War, including nurses, spies, soldiers, abolitionists, civil rights advocates and promoters of women's suffrage. Most women were engaged in supplying the troops with food, clothing, medical supplies, and even money through fundraising.

### **Women In The Civil War - HistoryNet**

Planters' wives and other elite women often rejoiced that their state had finally broken from what they saw as the Union's oppressive hold. Although the horrors of war would later dampen much of this initial enthusiasm, many white Georgia women took an active and educated part in the movement to separate the South from the North.

### **Women during the Civil War | New Georgia Encyclopedia**

The lives of women changed dramatically during the American Civil War. They played important roles both at home and on the battlefield. On the home front, women for both sides had to manage the household while their husbands and sons were off fighting battles. On the battlefield, women helped to ...

### **Civil War for Kids: Women - Ducksters: Education Site**

Women played many roles in the Civil War. They did not sit idly by waiting for the men in their lives to come home from the battlefield. Many women supported the war effort as nurses and aides, while others took a more upfront approach and secretly enlisted in the army or served as spies and smugglers.

A civil war, also known as an intrastate war in polemology, is a war between organized groups within the same state or country. The aim of one side may be to take control of the country or a region, to achieve independence for a region or to change government policies. The term is a calque of the Latin *bellum civile* which was used to refer to the various civil wars of the Roman Republic in the ...
